FEELING AFRAID—Read: Isaiah 43: 1-5

The Lord God, the creator of the universe, tells us to, 'Fear Not', and that we are so very precious to Him. He has created us and has saved us. He knows us and calls us by name. We are His very own children. (V.1). Whatever we go through, we can be sure that God is always with us. He walks with us every day. Just remember the next time you feel afraid, God is standing right by your side and He will walk with you. Keep on calling out to Jesus and He will be there. He loves you and you are so very precious to Him. You needn't be afraid when you know Jesus is by your side. Greater is He that is in you than he that is in the world. Is there something you feel afraid of? Tell Jesus now how you feel and ask Him to help you not feel afraid anymore. We know with many of our students getting ready to finish one grade they maybe going to a new school next year. Have faith and just remember to take a deep breath and pray. There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love. - 1 John 4: 18 (NKJV)
